*It is every player's responsibility to be familiar with the rules. Please take a moment to review a few basic rules of the game:
USGA rules apply. Play the ball as it lies.*

If you hit your ball out of bounds or lose it through the green, add a penalty stroke and go back and drop a ball where you played the previous shot. If the previous shot was played from the tee, you may tee the ball. *If you believe your ball may be out of bounds or lost outside a water hazard, play a provisional ball before searching for the first one!*

If your ball is unplayable (Rule 28) you may, under penalty of one stroke: either a) drop a ball where you played the previous shot (if played from the tee you may tee the ball) b) drop the ball within two club lengths no nearer the hole, or c) drop the ball any distance behind the unplayable spot, keeping it directly between you and the hole. *If the ball is in a bunker, you must drop in the bunker under any of these alternatives.*

THE SANDY WASTE AREAS AROUND THE COURSE ARE NOT HAZARDS AND YOU MAY GROUND YOUR CLUB WITHOUT PENALTY. However, if your ball lies in a bunker, you may **not** touch the ground with your club before making a stroke (Rule 13-4). Penalty for breach of rule: Two Strokes

All players must play the balls where they lie. No moving balls period. Moving balls will result in disqualification.

You may carry a maximum of 14 clubs only, putter included. Golf ball retrievers **do not** count as clubs! **All clubs must conform to USGA standards. The use of non conforming clubs will result in disqualification – Rule 4-1.**

All scorecards must be signed by the scorekeeper and attested by the player. Each player is responsible for signing and turning in his own scorecard. **Scorecards will be turned in to (handicap chairman) Ed Fernandez in the clubhouse the day of the tournament upon completion of round. Any cards not turned in will be disqualified.**

*** If a rules dispute arises during tournament play, the player involved will drop a second ball and finish the hole by playing **two balls**, the ball in question and the second ball. A score will be recorded for each ball and the tournament committee will resolve the dispute after play is finished.
